

Dear Parents and Carers,

It's beginning to look a lot like Christmas, everywhere in School! The tree is up, the post boxes are in position and we're in full Reception Nativity, Year 1 and 2 Christmas production and Carol Concert rehearsal mode.

### **Nursery News**

This week's treasure box theme was 'outer space' and the children have shared a variety of objects, books and handmade items. We love how confident the children are becoming talking about their things from home. We've also been creative using our handprints to make rockets, and paper plates and tissue boxes to make aliens! It's been so wonderful exploring Space over the past few weeks, but we are super excited to be blasting into Christmas activities and role playing next week. With this in mind, please can your child bring a pine cone with them into the Nursery next week for a Christmas craft. Can we also ask, due to an allergy, not to bring kiwi fruit for snack. Please also remember to keep your child at home if they are unwell.

### **PTA Christmas Raffle**

The prizes will be wrapped on Wednesday evening so Monday, Tuesday and Wednesday are your last opportunities to bring in prizes for the Christmas raffle. Please donate what you can to make the hampers as impressive as last year. Tickets are still on sale via ParentMail.

### **Lent Clubs**

We'll be sending out the new Clubs lists next week. Don't forget to sign up for your preferred choices as some have limited numbers. Michaelmas Clubs, apart from Orchestra and Choir, finish next week.

### **Morrisons Good to Grow Vouchers - One week to go!**

We've already received lots of vouchers to spend on children's gardening equipment from the Morrisons Good to Grow scheme. There's only one week left before the initiative finishes so please don't forget to redeem the vouchers for the school if you have any early Christmas shopping to do next week!

## **KSSP Cross Country**

Congratulations to our two runners in the district Cross Country who came 3rd and 16th against the fastest children from across North Northamptonshire. Great running, on a complicated course!

The Year 6 assembly on Monday took us to Victorian London and the world of Oliver Twist. It was amazing! I'm looking forward to welcoming the Year 5 parents this Monday to their Year 5 Class Assembly. Happy Thanksgiving weekend to our American families. Have a great weekend.

Regards,

***Mr Thomas***

Headteacher
