

Dear Parents and Carers,

It's a grey and wet day as I write this update but spirits in school are high. We've dressed up, flipped pancakes, run cross country, played music and much much more! I'm pleased that I get a rest this weekend, like the England Rugby team.

### **World Book Day**

Wow! The whole school and nursery had a great World Book Day. Children and teachers dressed up and shared in their love of reading. The day was filled with reading activities and I know I learnt about some new authors, books and characters and had lots of fun. Apparently the Gangsta Granny is at it again in a sequel! Do remember to like and share our social media posts for family and friends to see what fun we get up to.

### **Nursery News**

Nursery children have done lots of dressing up and shared their much loved stories. Miss Cook made a lovely Mr Bump and Mrs Constable swashbuckled through the day as a pirate! This week has also seen 6 eggs being put into the incubator with the hope we should have some chicks in three weeks time; perfect timing for Easter. Watch this space and our Facebook posts for updates. Today is also Mrs Jarvie's last day in Sunnylands Nursery and we wish her the very best in her new adventure.

### **PTA Bingo**

This was a real hybrid event with over 30 players online and in the real world dabbing and quacking! Thanks to all who attended and congratulations to the lucky winners. The PTA have very kindly purchased some basketball hoops and basketballs this week. We can't wait for the weather to improve so we can use them.

### **Scholastic Book Fair**

Thank you to everyone who has supported the Book Fair this week. It's been busier than ever and lots of you have got new bedtime reading. A proportion of all book sales goes back into buying new books for our libraries so we genuinely appreciate your support.

## **Super School Office**

I wanted to take this opportunity to thank the 'School Office'. They work tirelessly behind the scenes and I know just how regularly I say "if you have any questions please contact the School Office" and they always do a great job of answering those questions. Thank you Miss Wills and Mrs Fray for so often being the friendly and informative voice of St Peter's School and Sunnylands Nursery.

Don't forget that the Daily Mile has restarted on Mondays and Wednesdays before school; 7.5 laps of the school, leaving the school gate at 8.20am. Also, don't forget to purchase your Honk! tickets from the Masque Theatre. Finally, we send our prayers to those around the world who are currently living in a state of conflict. I know that some of our families have friends and family in Ukraine and we keep those in danger in our thoughts, especially the children.

Regards,

**Mr Thomas**

Headteacher
