

Dear Parents and Carers,

I hope you have all recovered from a very long but special day yesterday. Thank you to everyone who shared in our Founders Day on the 76th anniversary of our school. The weather was beautiful and we made the event even bigger and better than before and I'd like to thank EVERYONE for helping to make that happen. I'm proud of our community, our children, our staff and our parents. You should all feel proud too.

I wish we had longer to celebrate but we have achieved so much it's difficult to condense it into one occasion. Congratulations to our trophy, book and badge winners this year:

Congratulations to all of our winners. You are all superstars in my opinion. St Peter's is a place where everyone can succeed.

I would like to thank our Year 6s for doing such a great job hosting Founders Day; it's genuinely not easy to speak in front of 220 people in a marquee. I'd also like to thank Darren for joining us and sharing his story so far. His Just Giving link is at the bottom of this update. Hearing the teachers' memories from the year made me realise just what an amazing school we're all part of and there's still three days left. We have plenty of exciting activities planned as we countdown to summer. I'll be going through the photos and uploading them to the website as soon as I can. The PTA did an amazing job organising Disney Princesses, bouncy castles, a pizza van, face painting, a bar, a band and more. Have an amazing weekend, reminiscing about Founders Day 76.

Regards,
