

Dear Parents and Carers,

The summer is fast approaching and the fast pace of school life is making us increasingly ready for the break. I hope you're all looking forward to an amazing two weeks ahead and keeping your fingers crossed for glorious weather.

Nursery News

This week, we've been practising for our Family Fun Sports Day to be held on Tuesday 5th July from 2.30pm, weather permitting, on the school field. Parents are invited to attend and to wear suitable clothing for joining in with activities! We have a selection of lost property in the Nursery; please ask about any missing items and we will try to reunite them with you before the end of term. After the Nursery session finishes next Friday (12 noon), Nursery parents are invited to bring their own family picnic to eat in the school grounds before an afternoon of activities and later the PTA fun begins.

Warwick Castle Trip

The entire school went on a big day out to Warwick Castle this week. It was tremendous. There was something for everyone: archery, falconry, horses, mediaeval queens, a Horrible Histories maze, Zog World and much, much more. The weather was kind and we only had a short rain shower; we even managed to get a picture of the whole school in front of the 1068 ramparts. Here is a link to a photo album from the day. It really was fantastic! <https://www.st-peters.org.uk/warwick>.

Summer Games Day

Wednesday is Summer Games Day for Year 3 to Year 6 and the Houses will play each other at Dynamos cricket. Who will take the final sports trophy of the academic year? Who will score the most 6s? Parents are invited onsite from 1pm to spectate. The first game is due to start at 1.20pm. The final game will finish at the normal end of school time.

Founders Day - Friday 8th July

We're all very excited about next Friday and the marquee will appear this week. I will send a communication nearer the time with more detail for those who have not attended before. Don't forget to plan your own picnics from 12.30pm. There will be a gazebo by the gate for you to leave hampers and blankets on entry. The gates will open at 10am; each year group will have allocated rows in the marquee.

Children may wear their sports kit on Thursday so that uniforms can be smart for Friday. There is no swimming or PE on Friday!

Potential Summer Holiday Club

We've had questions regarding the possibility of running activity camps during the summer. Year 1 to Year 6 parents will have received a ParentMail form to ascertain what your interest in these would be. These are not confirmed but if there's enough interest then we'll attempt to facilitate something. There are a number of other holiday camps and clubs over the summer arranged by local community groups and I know many of you have holidays already planned.

Finally, you may have seen online, we have an exciting new opportunity in school as we are looking for a Site Manager. This is a new position. This person is responsible for our beautiful buildings, gardens and grounds. If you know anyone who may be interested, please ask them to get in touch or complete an application form. Details of the role can be found here <https://www.st-peters.org.uk/sitemanager>.

Have a wonderful penultimate weekend of the Trinity term.

Regards,

Mr Thomas

Headteacher
