

Dear Parents and Carers,

This term has flown by and what a way to finish! I know that I'm looking forward to more Jubilee celebrations over the coming week and we hope that our event this afternoon is the start of many exciting parties and celebrations for your families.

### **Nursery News**

There have been lots of early Jubilee celebrations happening in Sunnylands Nursery this week. The children have made crowns (which they enjoyed so much they wore them to eat lunch!), drawn pencil portraits of the Queen, with her faithful corgi at her side, and taken part in carpet picnics with tea and cake using red, white and blue plates and cups. For our story, we shared Peppa Pig's tale about going to a Garden Party at the palace. Our background music, performed by the Royal Marines Band, has also reflected the celebrations. This all added to a happy atmosphere and encouraged lots of questions and conversations about the Queen and the Royal Family. Well done nursery, it has been a busy, informative week.

### **ISA Athletics and Sport**

This week, we have competed at several events and we have done exceptionally well. Our cricketers won at the county cricket ground on Monday, our development netball team came top half of the table at Bishop on Wednesday and our athletes travelled to Solihull to compete against schools from across the Midlands yesterday with one child progressing to Nationals. Well done everyone! Super sportsmanship; it's fantastic to see our little school taking on the giants and having a great time doing it.

### **Jubilee Afternoon Tea**

Thank you to everyone who joined us for this afternoon's Jubilee afternoon tea. There was singing, dancing, drone flying, maypoling, archery plus tea, cake and biscuits! The queen would be proud I'm sure. All of the school children were also presented with a commemorative Jubilee badge to be worn on their uniform for the next term. This kind gesture was donated by the PTA and presented by deputy town mayor Emily, who is a former pupil of St Peter's and is organising the jubilee events taking place in Kettering. Please support her and these events. We also held a PTA raffle to raise funds for post-Founders Day celebration activities. You raised a staggering £400 which will hopefully fund inflatables (for the children) and a band (for everyone)!

Don't forget that the PTA are also currently collecting business cards and flyers for your local companies and you can add these to the PTA bundle for just £25 through ParentMail.

## Dates For Your Diary

- Wednesday 15th June - Music for a Summer's Evening
- Friday 17th June - PTA Family Rounders
- Tuesday 21st June (8.45am) - PTA AGM
- Wednesday 22nd June - Reception to Year 6 Sports Day
- Wednesday 6th July - Year 3 to Year 6 Trinity House matches
- Friday 8th July - Founders Day, followed by PTA celebrations
- Wednesday 13th July - Last day of Trinity Term

I will create a photo album of the Jubilee celebrations over the weekend and also a round up of Trinity Term 1. I think you'll all agree, the opportunities for our children this term have been incredible and we love sharing these memories with you.

To those who are leaving us this half term to return 'home', we wish you well and hope you always keep a part of St P's in your heart. To those travelling on holiday this half term, safe travels. May the sunshine continue and your adventures be epic! Have a wonderful half term everyone.

Regards,

**Mr Thomas**

Headteacher
