

Dear Parents and Carers,

I hope you all had a lovely Easter, a joyous Passover and blessed Eid. I also hope you had a restful break; the weather was unpredictable but the sun did appear at the start of this week. I hope it continues through the Trinity term as we've a busy calendar of events, many of which are outdoors.

Nursery News

Thank you to all the nursery parents who attended the parents meeting last night, the PowerPoint presentation and photo montage are available online. It was lovely to share the evening with you and tell you all about the EXCELLENT education and care we provide for the youngest members of the school community. We have welcomed some new children this term and are busy preparing the older children for their transitions to Reception classes in September. The story of the Rainbow Fish has been shared this week, it's a tale about how learning to share leads to making many friends. The children's colourful creative fish have made an eye-catching display.

PTA Bunny Drive

The hall was filled with children after school today for a fun-filled Bunny Drive. I remember going to beetle drives when I was a small child and it brought back lots of fond memories. It's great to see an engaging activity with zero technology required. Thank you for supporting PTA events, these contributions enrich school life.

PTA Meeting - Wednesday 26th April

You're all invited to a morning next Wednesday, 8.30am-9.30am. There'll be refreshments in the Cedar Hub and an opportunity to discuss PTA ideas and events for the future as well as elect officials for 2023/24. Please add Saturday 29th to your diaries if you can help contribute at the DIY SOS Mud Kitchen Big Build! Don't forget to check out the PTA pages on the website; they're great! www.st-peters.org.uk/parent-information/pta

Parent-Teacher Consultations

Reception to Year 6 parents will have received a ParentMail about parent-teacher consultations. Please ensure you complete this form if you'd like to discuss your child's progress in person, online or over the phone. We'll do our best to accommodate your day and time requests.

Club Confirmations

Clubs are as busy as ever and they start next week! Skateboarders don't need to bring anything (unless they have their own kit, which is fine). Cookery Club need an apron and a tupperware/tin, sports clubs need to be in sports kit and orchestra children need to remember their instruments. Children can bring their own ukuleles to Ukulele Club but this is not essential. I apologise that not everyone got to do their first choice club; cookery appears to be so keen for Year 3 that we're going to put on some cookery lessons especially for them.

Summer Uniform

This is a reminder to order your summer uniform. We'll return in Summer uniform on Tuesday 2nd May.

Summer Holiday Club News!

I can reveal that we will be running several weeks of Summer holiday clubs this year. There will be a ParentMail with more information coming soon but be assured that we have a fun-packed calendar of activities. Dates will be released very soon.

Year 5 and 6 parents are reminded to complete the Govilon consent letter ASAP which went home today please. Finally, I hope the glorious weather continues for the weekend and you have an enjoyable St George's Day with no dragons in sight!

Regards,

Mr Thomas

Headteacher

Here is next week's menu: www.st-peters.org.uk/menu
