

Dear Parents and Carers,

The Easter break has finally arrived and I know that for some children the holiday has come at the right time following a really busy term. I want to share lots of useful information with you so we're all ready to go in the Trinity Term. Please read the information carefully and add the important dates to your calendars.

### **Preschool Press**

Preschool has had a wonderful end of term. The children demonstrated an excellent understanding of road safety as they walked to the library. They listened attentively to the librarian as she explained how the library works and read a story about a 'Libearian'! Mrs Colwill renewed her library membership and the children chose some lovely stories to borrow and bring back to Preschool. Everyone enjoyed taking part in the Easter celebrations. The children proudly showed off their Easter bonnets as they paraded past their families and sang the Easter songs beautifully that they have been learning in their Music lessons with Mrs Palmer, together with the colours of the Rainbow song in French. Hunting for eggs hidden around the grounds was a lovely activity for all the family and the children were delighted to have a chocolate surprise delivered by the Easter bunny and to share the chocolate nests they had made during their cooking lesson. Thank you to all the families who were able to attend and make the event so special. Happy Easter everyone.

### **Easter Service**

All of the Reception to Year 6 pupils visited St Michael's Church on Monday for a very special Easter assembly with Reverend Angie. It felt very special indeed with the Eco committee making an Easter Garden. Thank you to the parents who joined us.

### **MADD Evening**

I am one very proud Headteacher! The children shone brightly on the Lighthouse stage. It was a wonderful World Theatre Day and it showcased our amazing children's talents. There was singing, dancing, acting, harmonica and much more. One parent said, "All it was missing was a magician and a singing dog!" Thank you to everyone who joined us; singing 'Stand By Me' as a community to the Ukulele Orchestra was Fab-u-lous! I know that the children learnt lots from the experience. Mostly, our core values: Creativity, Confidence, Curiosity and Community.

### **Trinity Clubs**

Clubs start the week beginning 22nd April and confirmations will be sent out in the first week back. As always, clubs are incredibly popular so do complete the form promptly. Many of the clubs are outdoors

next term with plenty of sports options. If it does rain, we'll offer an indoor alternative but it may not be the original activity.

## PTA Events

The PTA Bunny Drive is on Friday 19th April. This is a child-only event and will take place after school. Tickets are available via the ParentMail shop. This event is on the first Friday back.

A huge thank you to the PTA for the beautiful new music stand covers, which had their debut at the Lighthouse Theatre on Wednesday. They make our orchestra and performance groups look and feel like professionals. The children loved them.

## Photo Albums

We've put a huge selection of photos from the Lent term on our website galleries. I'll publish MADD photos over Easter. Be sure to take a look.
