

Dear Parents and Carers,

Apologies for a Saturday update but we had a very busy day yesterday! It was truly a remarkable day, as we gathered to celebrate our Founders Day. The weather surprised us with its warmth and it stayed dry, adding an extra touch of loveliness to our celebrations. I extend my heartfelt thanks to each and every person who joined us in making this day very special.

Please see this year's list of awards below (apologies for any typos or omissions - this took a lot of typing after a long day!):

Congratulations to our exceptional winners! At St Peter's, we firmly believe that this is a place where every individual has the potential to thrive and succeed.

I extend my heartfelt appreciation to our fantastic Year Sixes for their outstanding efforts in hosting Founders Day. I would also like to express my thanks to Flynn for joining us and sharing his views and stories. I really did set fireworks off in assembly... and I hadn't asked the Head for permission! He messaged last night "St Peter's really is AMAZING."

Preschool Press

During the last two weeks Preschool has been focusing on the phonic sound 'c/k'. The children have learned that although the letters look very different they both sound the same and they have been practising writing 'c' on the interactive board. Treasure boxes have been filled with an assortment of 3 dimensional shapes including cubes, cuboids and cones. In their cooking lesson the children filled cones with yoghurt and fruit to make a delicious snack and outside everyone has been perfecting their 'carpentry' skills as they hammered nails into pieces of wood. The new link and lace boards led to lots of creativity as the children designed and laced pictures of rectangles, crosses, the sea and even a piano! It has been a 'cracking' week full of curiosity, capability and cognitive development!

PTA News

A HUGE thank you to everyone who purchased raffle tickets on Founders Day and an extra special thank you to the prize sponsors: Fox's Group, Nineteen Accountants, Eckland Lodge, Taste Gourmet Spice company, AJ Mills and I'd personally like to thank the family who made the anonymous donation - your kindness and generosity are appreciated. The PTA have funded the trip to the Aquarium and LegoLand Discovery Centre next week which is going to be fantastic! As always, thank you to the committee members of the PTA for organising the raffle, running the games, doing the face painting and organising a wonderful afternoon yesterday. A highlight for me was pass the parcel with Moana and Ghost Spider on the playground.

As we eagerly count down to the summer, we have a range of exciting activities planned for our children next week. Have an amazing weekend everyone. C'mon England at 5!

Regards

Mr Thomas
