

Dear Parents and Carers,

With storm Eowyn in the news and colder temperatures settling in, it's clear that winter has arrived! To keep our students warm, please ensure your child wears a school hat, gloves, and scarf, available from the School Office or via ParentMail. We also have a warm baselayer available. As outdoor activities continue daily, these essentials will help keep everyone comfortable in the chilly weather. A huge congratulations to our runners who braved the cold at the County Cross Country last Saturday – we're so proud of their efforts!

School **STARTS at 8.45am**

A gentle reminder that school starts promptly at 8:45am, with children expected to be in class and ready for learning at this time. The playground bell rings at 8:40am to ensure everyone can settle in on time. Please aim to arrive by the start of the day to help your child make the most of their valuable learning time. Thank you for your support.

Fancy Dress Swap

The School Council has suggested a Fancy Dress Costume Swap ahead of World Book Day in March, and we think it's a fantastic idea! Many children likely have fancy dress outfits they've outgrown, tucked away in wardrobes, and this is a great opportunity to give them a new lease of life. We're still working out the details of how the swap will run, but in the meantime, please start sorting through any children's fancy dress clothes that no longer fit. This initiative is not only great for the environment but can also help save money. We'll share more information soon; thank you for your support!

Amazing School Trips

At St Peter's, we take great pride in offering our students amazing school trips that bring learning to life. Whether visiting museums, libraries, or farms, we're passionate about getting children out into the community to experience real-world environments. As you know, the cost of these trips is included in your Lent and Trinity invoices.

This week, Year 2 had a fantastic time on our first-ever trip to the Cambridge University Zoology Museum. As part of their study of animals, they also enjoyed the adventure of catching a double-decker bus into Cambridge!

With many more trips planned, please keep an eye on ParentMail for consent forms, departure and return times, especially if they fall outside normal school hours. These trips involve significant planning, including detailed health and safety measures, so your timely responses are greatly appreciated. If you have ideas for future trips or work somewhere that could support a school visit, we'd love to hear from you!

The Crescent

I want to acknowledge the ongoing concerns about the state of the roads and footpaths around the school. To help address these issues, please log any concerns about road or footpath conditions (such as potholes, tree roots, or lifted curbs) via [FixMyStreet](#) using our postcode NN15 6DJ. Thank you for your continued cooperation in driving cautiously and parking responsibly to keep everyone safe.

A huge congratulations to our U11 hockey team who performed exceptionally well this week in cold conditions at Maidwell.

Have a great weekend. Will the traitors survive the Seer, will the faithful work it out?! What will I do after tonight!?

Be safe in the high winds.

Regards,

Mr Thomas

Headteacher
