

Dear Parents and Carers,

It's been a busy week at school, full of sports fixtures, Science Olympics and some news of a new baby! I'm excited to share that Mr Thomas and his wife Bobbi welcomed their baby boy on Wednesday. They're happy and healthy and we can't wait to meet baby Ruben 'Roo'.

Sporty Week 🏈🏏

This week welcomed two sports fixtures for our Year 5 and Year 6 children. Trinity term is always full of sports and even though the weather is set to dip next week, we've been blessed this week! Our Year 5 and 6 girls triumphed at a football tournament on Monday in Oakham at Brooke Priory. Other independent schools took part and the children showed excellent teamwork. On Wednesday, all Year 5 and 6 children were invited to Copthill to play cricket. Another wonderful afternoon of sport where the children played brilliantly in very cricket-worthy weather.

We have lots of fixtures for different groups coming up. Please check your ParentMail permissions as these contain all of the details and remember to send children into school with the correct sports kit for the respective sports.

Science Olympics 🧪🔬

Four of our Year 5 children were chosen to represent the school in the annual Science Olympics held at Pitsford School today. They've sent a message to let us know how they're getting on, *'We've been using Bunsen burners to see which colour different chemicals make, mixing acids and alkalis in a rainbow fizz experiment and racing to complete an epic scavenger hunt (with a sprint finish encouraged by some members!!) This afternoon we will be making rockets and competing in a final quiz to see who will be crowned champions!'*

News just in...the children came 3rd out of about ten schools! What a fantastic achievement showing confidence throughout the day. Well done for representing St Peter's School, we're so proud of you!
