

Dear Parents and Carers,

It's been a quieter week at school without our Year 5 and 6 children, but there's still been a buzz of excitement and learning. Reception class led their first Class Assembly with confidence and courage, telling us all about minibeasts. Songs were sung and fun facts were shared. Preschool celebrated reading with 'Share a story' on Wednesday. They read a brilliant story called 'The Teeny Weeny Tadpole' to help explain some of Preschool's tadpoles turning into very sweet froglets.

Next week, we welcome back Mr Thomas and we're all hoping to meet the smallest member of our St Peter's family.

Summer Uniform

A reminder that the children should all be wearing their summer uniform.

Girls- Summer dress, blazer, plain white ankle socks, black school shoes, summer boater. Hair should be tied back with blue/black ties (if long enough)

Boys- White shirt with tie, blazer, grey shorts, plain grey ankle socks, black school shoes, felt hat.

This is compulsory for all children and if the weather is chilly, please send them in with their school coat. The children should come to school wearing their school hat if they're wearing school uniform. The blue summer cap can be worn outside during break times.

Govilon 🧑🏫 🌟

Our Year 5 and 6 children returned home this afternoon from a wonderful week in Wales.

We were updated everyday learning what the children had enjoyed and endured!

Here are a few memorable quotes collected over the week from the children...

'Today was a very fun day, it required teamwork and physical strength.'

'It was all amazing because I was with my friend.'

'I liked looking at the lush green grass, it was a phenomenal view.'

'Abseiling was fun, it made me face my fear of heights.'

'I was fearless, I achieved something I thought was impossible. I climbed a wall.'

'It was excellent but scary!'

'Scrumptious toast!'

As you can tell, this trip creates challenges, friendships and so many memories for the children. A huge thank you to our amazing staff members who supported the children through every experience. Hopefully they'll all sleep well tonight and enjoy a restful weekend after a week full of adventures.

Year 2 trip to Pizza Express 🍕

This week, Year 2 took their learning out of the classroom and travelled to Pizza Express at Rushden Lakes. As part of their English topic on writing clear instructions, the children followed step-by-step guides on how to make their very own pizza.

Mr Burgham said, *'The lovely smell of fresh dough as they walked in was amazing. The children learnt all about the origins of Pizza Express and the different pizzas. The simple excitement of carefully spreading the passata around the dough to cover the base and then sprinkling on mozzarella. The intrigue of seeing them being slid into the oven and being returned in their own boxes was almost too much! A beautiful sunny day, sat by the lake enjoying their own pizzas! Delicious!!'*

The children returned to school with huge smiles and left over pizza for later.

Upcoming Event Reminders 📅 17 📝
