

Dear Parents and Carers,

The nights are drawing in, and while it may now be dark when the alarm rings, there's no shortage of energy here at school! If you're counting down the days to half term, I hope this update gives you something to look forward to. I'd like to start with the great news that we have officially been recognised as a Platinum Woodland Trust School - a perfect announcement when we had a successful Outdoor Learning morning this week. This is year's of hard work to get this recognition.

Don't forget any harvest donations for Kettering Foodbank to the Office by Monday please.

And here's your one-week notice: time to find a shoe lace, raid the local parks, and start hunting for the best conkers ahead of our much-loved House Conker Championships. Early rounds take place in the final week of term, with the Grand Final on the very last afternoon; always a highlight of Michaelmas!

School Nurse Coffee Morning

A big thank you to those who supported the School Nurse Coffee Morning this week. It was a valuable chance to share advice and strengthen our parent–nurse partnership.

Staff Spotlight: Welcome Miss Blakman!

We have several new starters to introduce over the coming weeks, and we begin with someone who has already made a wonderful impression, our Year 5 Class Teacher – Miss Blakeman.

After studying at Durham University, where she achieved a First-Class degree in Education, Miss Blakeman moved back to Northamptonshire this summer from the North East. Her experiences are as broad as they are inspiring: she has travelled extensively, spending time in the Galápagos Islands and Ecuador, where she taught English. Beyond the classroom, Miss Blakeman is a true polymath. She played Lacrosse at university, is a talented guitarist (Mrs Palmer has her in her sights for Orchestra already 🎵), and is fluent in British Sign Language. She also finds time to volunteer as a shift leader with the Samaritans, a role she describes as hugely rewarding. Closer to home, Miss Blakeman's path to St Peter's was rather serendipitous; she was 'Googling schools' and, when she found our website, said she simply had to work here. We couldn't agree more! A black belt, second dan in karate (so watch out!), a self-proclaimed good skier (is this a hint for a ski trip?), and someone who brings energy and passion both inside and outside the classroom, Miss Blakeman has already fitted right in. Though this is her first Prep School, it feels like she's always been part of St P's. Please join us in giving her the warmest of welcomes; we're delighted to have her on the team.

Pumpkins for Disco

You may have heard whispers of a pumpkin competition organised by the Friends of St Peter's! While this isn't something we'll be doing during the school day, we'd love families to get involved if you have the time. It's all just a bit of fun; there will be a prize for the best design, and you can take part in two ways:

-  Bring in your decorated pumpkin on the last day of term to display on the front steps of Sunnylands for the Halloween Disco.

-  Or upload a photo of your pumpkin design on Google Classroom.

Pumpkins can be carved, decorated, or even drawn if carving isn't an option. Please note we won't be putting real candles in any pumpkins brought to school.

As Halloween falls during half term, we'll share the photos with everyone after the break. We look forward to seeing your creativity shine! ✨
